**PENDISPENSAN METHADONE DILOKAP**

*DR. DAUD BIN ABDUL RAHIM  
 KETUA SEKTOR KPAS/*

*Dr. Loh*  
*3/11*  
*Dr. Loh bin Sulaiman*  
*TKPK (KA)*

Dengan hormatnya perkara di atas dirujuk.

2. Dimaklumkan bahawa terdapat keperluan di mana pesakit terapi gantian dengan Methadone ( MMT ) yang ditahan di lokap perlu meneruskan rawatan tersebut sepanjang mereka dalam tahanan lokap, sebagaimana yang dibincangkan dalam Mesyuarat Jawatankuasa TaskForce on Harm Reduction Bil.1/2012 pada 17 April 2012 dan Mesyuarat Stakeholder Tahunan Peringkat Nasional Program Pengurangan Mudarat pada 10 Oktober 2012. Keperluan ini juga selaras dengan kewajiban Kementerian ini untuk memastikan kesinambungan rawatan pesakit dan pematuhan ke atas hak asasi individu pesakit itu sendiri.

3. Sehubungan dengan itu, bagi memastikan keperluan ini dipenuhi, semua lokap di bawah seliaan Polis DiRaja Malaysia ( PDRM ) diberikan kelulusan sebagai institusi rawatan terapi gantian dengan Methadone yang membenarkan pendispensan Methadone dilaksanakan oleh Pegawai Farmasi. Kelulusan ini diberikan sebagaimana yang termaktub di bawah Peraturan 11 (1) (e) Peraturan –Peraturan Racun ( Bahan – Bahan Psikotropik ) 1989.

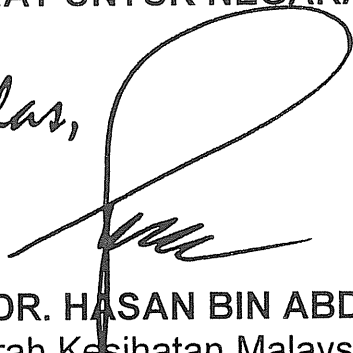

*Dr. Omar bin H. Miha*  
*9/11*

4. YBhg Dato' dengan ini dikehendaki memastikan aktiviti pendispensan Methadone di lokap dilaksanakan dengan sempurna selaras dengan akta dan peraturan sedia ada.

Sekian.

" BERKHIDMAT UNTUK NEGARA "

Yang Kkhlas,

(DATO' SRI DR. HASAN BIN ABDUL RAHMAN)

# POISONS (PSYCHOTROPIC SUBSTANCES) REGULATIONS 1989

*Incorporating latest amendment - P.U.(A) 19/99*

Publication in the Gazette :  
Date of coming into operation :

2nd March 1989  
15th April 1989

## ARRANGEMENT OF REGULATIONS

Preamble

### **PART I - PRELIMINARY**

Regulation 1. Citation and commencement.  
Regulation 2. Interpretation.

### **PART II - POSSESSION OF PSYCHOTROPIC SUBSTANCE**

Regulation 3. Prohibition on possession of psychotropic substance.

### **PART III - IMPORT AND EXPORT OF PSYCHOTROPIC SUBSTANCE**

Regulation 4. Control of import and export of psychotropic substance.  
Regulation 5. Application for an import authorisation.  
Regulation 6. Application for an export authorisation.  
Regulation 7. Fee for import or export authorisation.  
Regulation 8. Furnishing of information to Drug Enforcement Officer, etc.  
Regulation 9. Import or transit of psychotropic substance specified in the Second Schedule.  
Regulation 10. Control of psychotropic substance in transit.

### **PART IV - SALE AND SUPPLY OF PSYCHOTROPIC SUBSTANCE**

Regulation 11. Control on the sale and supply of psychotropic substance for medical or dental treatment of a particular patient or animal treatment of a particular animal.  
Regulation 12. Control on the sale and supply of psychotropic substance for purposes other than medical or dental treatment of a particular patient or animal treatment of a particular animal.  
Regulation 13. Exemption from regulation 12 (1).

### **PART V - PERMIT TO PURCHASE AND USE PSYCHOTROPIC SUBSTANCE**

Regulation 14. Issue of permit to purchase and use psychotropic substance.  
Regulation 15. Application for a permit to purchase and use psychotropic substance.

### **PART VI - ADMINISTRATION, DISPENSING, COMPOUNDING, MIXING AND MANUFACTURE OF PSYCHOTROPIC SUBSTANCE**

Regulation 16. Control of administration of psychotropic substance.  
Regulation 17. Control of dispensing, etc. of psychotropic substance.  
Regulation 18. Control of manufacture of psychotropic substance.

### **PART VII - REGISTERS**

Regulation 19. Records for purposes of medical, dental or animal treatment.  
Regulation 20. Records for purposes other than medical, dental, or animal treatment.

### **Regulation 7. Fee for import or export authorisation.**

The fee for an import or export authorisation shall be one hundred ringgit.

### **Regulation 8. Furnishing of information to Drug Enforcement Officer, etc.**

At the time of importation or exportation of any psychotropic substance, the importer or exporter shall produce to a Drug Enforcement Officer or any proper officer of Customs the import or export authorisation relating thereto, and such other evidence as such officer may require to satisfy him that the psychotropic substance is being imported or exported lawfully and in accordance with the terms and conditions of such authorisations.

### **Regulation 9. Import or transit of psychotropic substance specified in the Second Schedule.**

Every psychotropic substance specified in the Second Schedule which is imported into Malaysia, or brought to Malaysia in transit, from a country which is a party to the Convention shall be accompanied by a valid and subsisting export authorisation duly issued by the competent authority of the country from which it is exported; and the person having the possession or control of such psychotropic substance shall, on demand by any Drug Enforcement Officer, any police officer not below the rank of Inspector or any senior officer of Customs, produce such export authorisation for his inspection.

### **Regulation 10. Control of psychotropic substance in transit.**

No psychotropic substance while in transit shall be subjected to any process which would change the nature of such psychotropic substance and the packing shall not be altered without the written consent of the Licensing Officer.

### **Regulation 11. Control on the sale and supply of psychotropic substance for medical or dental treatment of a particular patient or animal treatment of a particular animal.**

(1) No psychotropic substance shall be sold or supplied for the purposes of medical or dental treatment of a particular patient or animal treatment of a particular animal except by -

(a) a registered medical practitioner for the purposes of the medical treatment of his patient only;

(b) a registered dentist Division I for the purposes of the dental treatment of his patient only;

(c) a veterinary surgeon to his client for the purposes of animal treatment only;

(d) a licensed pharmacist upon a prescription prescribed by a registered medical practitioner or a registered dentist Division I or a veterinary surgeon;

(e) a pharmacist who is for the time being employed in a hospital, clinic or dispensary wholly maintained by the Government, or in an institution approved by the Director General of Health at which human ailments are treated, upon a prescription prescribed by a registered medical practitioner or a registered dentist Division I or a veterinary surgeon;
